

**KEY FEATURES of YOUR NEJM.ORG SITE LICENSE  
A QUICK GUIDE**

## NEJM INSTITUTION ADMINISTRATION CENTER

---

Log on to: [www.nejm.org/institutional-administration-center](http://www.nejm.org/institutional-administration-center) to set up your account and enter IPs (if you haven't already done so).

Site license administrators can manage their institutional accounts in the [Institution Administration Center](#). As the administrator you are able to add or edit IP addresses, obtain usage reports, add institutional branding (text and logo), and enter OpenURL reference links. You may also update your email address, password, personal information, and alert preferences.

**Interlibrary Loan ("ILL"):** You may supply single copies of articles from NEJM.org to a noncommercial library located in the same country as the licensee by post, facsimile, or digital transmission, provided such use is in accordance with applicable copyright law and subscriber's ILL procedures.

**Course Packs and Electronic Reserves:** You may link to or display discrete items of content from NEJM.org in course management systems via a secure network in connection with course instruction.

**Contact us:** For questions regarding your account please email us at [institutionsales@nejm.org](mailto:institutionsales@nejm.org) or contact your representative directly:

Americas	Mike Tavares	<a href="mailto:mtavares@nejm.org">mtavares@nejm.org</a>	(781) 434-7095
	Ellie Phillipio	<a href="mailto:ephillipo@nejm.org">ephillipo@nejm.org</a>	(781) 434-7135
Asia/Pacific	Rob McKinney	<a href="mailto:rmckinney@nejm.org">rmckinney@nejm.org</a>	(781) 434-7069
Europe/Middle East/Africa	Patrice Skelley	<a href="mailto:pskelley@nejm.org">pskelley@nejm.org</a>	(781) 434-7380

### STAY CONNECTED

---

**NEJM LibraryHub:** This new website is your source for ideas, information, and tools that enable you and your institution to make full use of the rich content and multimedia available with your site license. Includes feature articles on medical librarianship and NEJM Group products and initiatives. Sign up to be alerted when new articles are posted at [libraryhub.nejm.org/](http://libraryhub.nejm.org/).

**Follow us on Twitter:** [@NEJMLibHub](https://twitter.com/NEJMLibHub): Stay current with the latest articles and discussions.

**NEJM THIS WEEK APP:** Free iPhone and iPod Touch app that provides access to recent articles and a selection of images, audio, and video.

**PODCASTS:** Download **NEJM This Week** for a summary of each week's issue. Each audio summary runs approximately 10–20 minutes and provides the most important conclusion from each article. **NEJM Interviews** are weekly in-depth interviews with a current author. Both podcasts are available for free on iTunes.

**CONTENT ALERTS:** Free weekly emails sent on Wednesday for the **Table of Contents** (includes article links) and the **Resident E-Bulletin** (includes teaching topics from the current issue). **Online First** alerts provide immediate notification of articles published online ahead of the print issue.

**NEW@NEJM:** Learn about new interactive content and features in this free quarterly email.

## **NEJM RESIDENT 360** **resident360.nejm.org**

---

**NEJM RESIDENT 360:** A website and social platform where internal medicine residents can build knowledge and confidence with expertly curated resources by NEJM Group editors. Rotation Prep, Learning Lab, Resident Lounge, and Career sections support learning by providing valuable teaching and learning tools for a more interactive education. Free access via IP-authentication is included with your site license.

Residents can visit <https://resident360.nejm.org> from a registered IP address to create their free account and access content.

# TEACHING TOOLS

## DEMONSTRATE PROCEDURES

---

[VIDEOS IN CLINICAL MEDICINE](#) allow you to watch common clinical procedures on your computer or mobile device. Peer-reviewed for accuracy and chaptered for easy reference, these videos provide a concise review of the procedure, including preparation, equipment, and more. PDF summaries of the procedures are also available for download.

## IDENTIFY SIGNS AND CONDITIONS

---

[IMAGES IN CLINICAL MEDICINE](#) present striking examples of a common clinical presentation along with accompanying text. Two images are published each week. [IMAGE CHALLENGE](#) helps hone diagnostic skills. Each Image Challenge presents an acclaimed NEJM medical image and asks the viewer to make a diagnosis or answer a question.

## TEACH DIAGNOSTIC SKILLS

---

[CASE RECORDS OF THE MGH](#) describes the treatment of an actual case, offering insights into the expert physician's medical decision-making, diagnosis, and treatment options. The Case Challenge feature provides the case description from an upcoming Case Record of the MGH — but without the diagnosis. Users vote on the patient's diagnosis and choose which diagnostic test(s) to order. [INTERACTIVE MEDICAL CASES](#) allow users to virtually manage an actual peer-reviewed case. View videos, lab results, and brief commentaries that explain important concepts. [CLINICAL PROBLEM-SOLVING](#) follows top clinicians as they are presented with data in stages to simulate a clinical setting.

## REVIEW TREATMENT OPTIONS

---

**CLINICAL PRACTICE** articles present a single case, followed by a complete description of diagnostic and treatment strategies, therapeutic options, and treatment guidelines. The [PRIMARY CARE/HOSPITALIST](#) section is a topical collection on NEJM.org that provides access to the most relevant NEJM clinical content.

## FIND TEACHING MATERIALS

---

The **RESIDENT E-BULLETIN** is a weekly email with summaries of two current articles that are particularly valuable for teaching. At our blog, [NOW@NEJM](#), you will find brief insights into the clinical significance of NEJM content and questions to stimulate discussion.

## CREATE A PRESENTATION

---

**POWERPOINT SLIDE SETS** make it easy to present NEJM articles, figures, and tables. Slide sets are available for Original and Review Articles, Case Records of the MGH and Clinical Problem-Solving articles. **POWERPOINT IMAGE DOWNLOADS** for images, illustrations, and tables include title and citation information in the TOOLS section to the left of the article.

## OTHER PRODUCTS FROM NEJM GROUP

---

**NEJM ARCHIVES** covers nearly 200 years of medical history (1812–1989) with access to every article NEJM has published. Fully digitized and searchable. Available as a one-time purchase in two parts (Part 1: 1812–1944 and Part 2: 1945–1989)

**NEJM JOURNAL WATCH ONLINE** summarizes and puts into perspective the most important research, medical news, and guidelines across 12 specialties. An essential resource for busy clinicians and available as an annual site license subscription — learn more at [JWatch.org](#).

**NEJM KNOWLEDGE+ for residency programs** Extensive question banks, robust reporting, and practice exams make NEJM Knowledge+ an efficient, comprehensive learning solution for residency programs. Learn more at <http://knowledgeplus.nejm.org>.
